 Landslide Repair

RE: **Contra Costa County Permit G 219219, Issued 8/6/97**

Dear Dr. Kashani:

Would you please send me copies of the right-of-way agreements you or your attorney negotiated with your neighbors, as provided for in our Agreement (8/11/97, Article 4) and your Contract with D. M. Scholz Construction (8/14/97, Article 14). I did not receive a response to my letter of 8/25/97 to Miles and Brummitt (copy attached) and I need those papers to finalize the project.

Yours truly,

Lawrence B. Karp
